

**ENERGOLD DRILLING CORP.**  
**(the “Company”)**

**INFORMATION CIRCULAR**

(Information herein is as at April 19, 2017, unless otherwise indicated)

**SOLICITATION OF PROXIES**

This Information Circular and the accompanying documents (the “**Meeting Materials**”) are furnished in connection with the solicitation of proxies by the management of Energold Drilling Corp. (the “**Company**”) for use at the Annual General Meeting of Shareholders of the Company to be held on May 24, 2017 (the “**Meeting**”) and any adjournment thereof at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors and regular employees of the Company. All costs of solicitation will be borne by the Company.

These Meeting Materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these Meeting Materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary (as defined below) holding on your behalf. By choosing to send these Meeting Materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. (For further information relating to non-registered owners, see the discussion below under “INFORMATION FOR NON-REGISTERED (BENEFICIAL) OWNERS OF SHARES”.)

**APPOINTMENT AND REVOCATION OF PROXIES**

The individuals named in the accompanying form of proxy are directors and/or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM OR HER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES OR BY COMPLETING ANOTHER FORM OF PROXY.** To be valid, a proxy must be in writing and executed by the shareholder or its attorney authorized in writing, unless the shareholder chooses to complete the proxy on the internet as described in the enclosed form of proxy. Completed proxies must be received by Computershare Investor Services – Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or at the discretion of the Chairman of the Meeting, delivered to the Chairman of the Meeting prior to the commencement of the Meeting or an adjourned meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his or her attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, 1800 – 510 West Georgia Street, Vancouver, British Columbia, V6B 0M3, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

## INFORMATION FOR NON-REGISTERED (BENEFICIAL) OWNERS OF SHARES

The shares owned by many shareholders of the Company are not registered on the records of the Company in the beneficial shareholders' own names. Rather, such shares are registered in the name of a securities dealer, bank or other intermediary, or in the name of a clearing agency (referred to in this Information Circular as an "intermediary" or "intermediaries"). Shareholders who do not hold their shares in their own names (referred to in this Information Circular as "non-registered owners") should note that **only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. A non-registered owner cannot be recognized at the Meeting for the purpose of voting his shares unless such holder is appointed by the applicable intermediary as a proxyholder.**

Non-registered owners who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as "NOBOs". Those non-registered owners who have objected to their intermediary disclosing ownership information about themselves to the Company are referred to as "OBOs".

In accordance with applicable securities regulatory policy, the Company has elected to seek voting instructions directly from NOBOs. The intermediaries (or their service companies) are responsible for forwarding this Information Circular and other Meeting Materials to each OBO, unless the OBO has waived the right to receive them.

Meeting Materials sent to non-registered owners who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a "VIF"). This form is provided instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered owner is able to instruct the registered shareholder how to vote on behalf of the non-registered owner. VIFs, whether provided by the Company or by an intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered owners to direct the voting of the shares which they beneficially own. If a non-registered owner who receives a VIF wishes to attend the Meeting or have someone else attend on his behalf, then the non-registered owner may request a legal proxy as set forth in the VIF, which will grant the non-registered owner or his nominee the right to attend and vote at the Meeting.

In addition to those procedures, National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), allows a NOBO to submit to the Company or an applicable intermediary any document in writing that requests that such NOBO or its nominee be appointed as the NOBO's proxyholder. If such a request is received, the Company or the intermediary, as applicable, must arrange, without expense to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Information Circular, provided that the Company or the intermediary receives such written instructions at least one business day prior to the time at which proxies are to be submitted for use at the Meeting; accordingly, any such request must be received by 1:00 P.M. (Pacific time) on May 18, 2017.

The Company does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and an OBO will not receive those materials unless the OBO's intermediary assumes the cost of delivery.

**IF YOU ARE A NON-REGISTERED OWNER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE REFER TO THE INSTRUCTIONS SET OUT ON THE "REQUEST FOR VOTING INSTRUCTIONS" (VIF) THAT ACCOMPANIES THIS INFORMATION CIRCULAR.**

## EXERCISE OF DISCRETION

Shares represented by proxy are entitled to be voted on a show of hands or any poll and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the shares will be voted or withheld from voting in accordance with the specification so made.

## SUCH SHARES WILL BE VOTED FOR EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

## VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at the date hereof, the Company has issued and outstanding 54,659,939 fully paid and non-assessable common shares, each share carrying the right to one vote. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

Any shareholder of record at the close of business on April 19, 2017 who either personally attends the Meeting or who has completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have his shares voted at the Meeting.

To the knowledge of the directors and executive officers of the Company, there are no persons or companies who beneficially own, or control or direct, directly or indirectly, shares carrying 10% or more of the voting rights attached to all outstanding shares of the Company.

## ELECTION OF DIRECTORS

#### **Compensation Discussion and Analysis**

##### *Compensation, Philosophy and Objectives*

Remuneration plays an important role in attracting, motivating, rewarding and retaining knowledgeable and skilled individuals to the Company's management team. The Company does not have a formal compensation program. The Compensation Committee meets to discuss and determine management compensation, without reference to formal objectives, criteria or analysis.

The Compensation Committee seeks to ensure that total compensation paid to all Named Executive Officers is fair and reasonable. The Compensation Committee reviews compensation paid to executives of companies similar in size and stage of development in the service industry, including Foraco International S.A., Major Drilling International Inc. and Orbit Garant Drilling Inc., and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and

effort expended by the executives while taking into account the financial and other resources of the Company.

#### *Analysis of Elements*

Base salary is used to provide the Named Executive Officers with a set compensation during the year with the expectation that each Named Executive Officer will perform his responsibilities to the best of his ability and in the best interests of the Company.

The Company entered into an executive employment agreement (the “**Davidson Agreement**”) with Mr. Davidson on April 1, 2005. For the financial year ending December 31, 2016, the Company paid Mr. Davidson a salary of \$432,000 for his services as CEO and President. Mr. Davidson also earned an amount of \$26,500 for his services as a Director, of which \$6,125 was accrued and not paid as at December 31, 2016. (See “Termination and Change of Control Benefits” for more information about the Davidson Agreement.)

For the financial year ending December 31, 2016, the Company paid Mr. Gold a salary of \$200,000 for his services as CFO of the Company.

For the financial year ending December 31, 2016, the Company paid Mr. Fitch-Roy a salary of \$231,837 for his services as Managing Director of the Company’s subsidiary, Dando Drilling International Ltd.

For the financial year ending December 31, 2016, the Company paid Mr. Brian Bertram a salary of \$195,833 for his services as President of the Company’s subsidiary, Bertram Drilling Corp.

For the financial year ending December 31, 2016, the Company paid Mr. Darrell Bertram a salary of \$195,833 for his services as Vice President of Operations for the Company’s subsidiary, Bertram Drilling Corp.

The salaries, bonuses and other fees described above were determined by the Company’s Compensation Committee.

The Company considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward each Named Executive Officer’s efforts to increase value for shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to directors, officers, consultants and employees at the commencement of employment and periodically thereafter. The terms and conditions of the Company’s stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company’s 2016 Stock Option Plan and as determined by the Board at the time of the grant. The purpose of granting options is to assist the Company in compensating, attracting, retaining and motivating the Named Executive Officers and Directors of the Company and to closely align the personal interests of such persons to that of the shareholders.

#### **Option-Based Awards**

The Company has no long-term incentive plans other than its 2016 Stock Option Plan (the “**Existing Plan**”). The Company’s directors, officers, consultants and employees are entitled to participate in the Existing Plan. The Existing Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Existing Plan aligns the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer-term performance of the Company’s common shares.

Options are granted by the Board of Directors. In monitoring or adjusting the option allotments, the Board takes into accounts its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the

Named Executive Officers and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board also makes the following determinations:

- (a) parties who are entitled to participate in the Existing Plan;
- (b) the exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than prescribed discount permitted by the TSX Venture Exchange (the “**TSXV**”) from the market price on the date of grant;
- (c) the date on which each option is granted;
- (d) the vesting period, if any, for each stock option;
- (e) the other material terms and conditions of each stock option grant; and
- (f) any re-pricing or amendment to a stock option grant.

The Board makes these determinations subject to and in accordance with the provisions of the Existing Plan. The Board reviews and approves grants of options generally on an annual basis and periodically during a financial year.

Pursuant to the Existing Plan, the Board grants options to directors, executive officers, employees and consultants as incentives.

The Compensation Committee recommends option grants to the Board. The Company did not grant any stock options exercisable to purchase shares of the Company to Named Executive Officers during the financial year ended December 31, 2016.

The Board is recommending to the Meeting the approval of a new Share Option Plan to replace the Existing Plan, for particulars please see “Particulars of Other Matters to Be Acted Upon - Adoption of New Share Option Plan”.

## **Other Board Committees**

The Company also has a Health and Safety Committee, the members of which are Michael J. Beley and Wayne D. Lenton. As the directors are actively involved in the Company's operations and the size of the Company's operations does not warrant a larger board of directors, the Board has determined that additional committees are not necessary at this stage of the Company's development.

## **Assessments**

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal annual assessments of the Board's effectiveness, the individual directors and each of its committees. To assist in its review, the Board conducts informal surveys of its directors and receives reports from each committee respecting its own effectiveness. As part of the assessments, the Board or the individual committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

## PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

### Adoption of New Share Option Plan

As set forth under the heading “Executive Compensation – Option-Based Awards”, the Company has in place the Existing Plan, the principal purpose of which is to give directors, officers, employees and consultants the opportunity to participate in the profitability and growth of the Company by granting to such individuals options, exercisable over periods of up to ten years as determined by the Board, to buy shares of the Company at a price not less than the closing market price of the Company’s shares on the day preceding the date of granting of the option less any available discount, in accordance with the policies of the TSXV. The Existing Plan provides for the issuance of stock options to acquire up to 10% of the Company’s issued and outstanding capital as at the date of grant. This is a “rolling” plan as the number of shares reserved for issuance pursuant to the grant of stock options will increase, or decrease, as the Company’s issued and outstanding share capital changes. As of April 19, 2017, a total of 2,250,000 options are outstanding under the Existing Plan.

The Board of Directors of the Company has concluded that it would be in the Company’s best interests to adopt a new share option plan (the “**New Plan**”), subject to approval by the shareholders of the Company as well as acceptance by the TSXV. The New Plan will replace the Existing Plan and, except to the extent that the rights and entitlements of an optionee would be impaired, options previously governed by the Existing Plan will be governed by the New Plan.

The New Plan accommodates the rules and policies (the “**Exchange Policies**”) of both the TSXV and The Toronto Stock Exchange (“**TSX**”), depending upon which stock exchange the common shares of the Company are listed for trading on at the relevant time. In addition, the principal changes from the Existing Plan to the New Plan are that the New Plan provides that:

- (a) if the common shares are listed for trading on the TSX, then, the aggregate number of common shares that may be issued to Insiders (as defined in the New Plan) pursuant to options granted under the New Plan and under any other Share Compensation Arrangement (as defined in the New Plan) within any one year period, must not exceed 10% of the outstanding shares;
- (b) if the common shares are listed for trading on the TSX, then the Company will be required to obtain shareholder approval, excluding the votes of common shares held by insiders benefiting from the amendment if required by Exchange Policies, of:
  - (i) any reduction in the exercise price of an option held by an insider;
  - (ii) any extension of the term of an option held by an insider beyond the original expiry date, subject to such date being automatically extended as the result of the expiry date falling within a Blackout Period (as defined in the New Plan); or
  - (iii) any increase in the fixed maximum number or percentage of common shares which may be issued pursuant to the New Plan;
- (c) subject to any necessary regulatory approvals and to certain other restrictions of the New Plan, the Board may make any of the following amendments without shareholder approval:
  - (i) a change to the time or times that the shares subject to each option will become purchasable by an optionee, including accelerating the vesting terms, if any, applicable to an option;
  - (ii) an amendment of the process by which an optionee who wishes to exercise his or her option can do so, including the required form of payment for the optioned shares being purchased, the form of exercise notice and the place where such payments and notices must be delivered;

- (iii) a reduction in the exercise price or extension of the expiry date of any option, other than an option held by an insider;
  - (iv) an amendment to the New Plan relating to the effect of termination, cessation or death of an optionee on the right to exercise options (including options held by an Insider);
  - (v) an amendment to the New Plan or any option of a typographical, grammatical or clerical nature; and
  - (vi) an amendment to the New Plan necessary to bring the New Plan into compliance with applicable securities and corporate laws and Exchange Policies;
- (d) if the common shares are listed on the TSX, then the exercise price must be the market price (as defined under Exchange Policies) as reported on the TSX on the day before the date the option is granted;
  - (e) the term of each option will be determined by the Board, provided that, an option can only be exercisable for a maximum of ten (10) years from the date of grant, subject to the expiry date of an option occurring within or immediately following a Blackout Period (as defined in the New Plan);
  - (f) subject to the discretion of the Board, if an option expires within a Blackout Period, the expiry date will be extended to the date which is ten (10) business days after the expiry of the Blackout Period, or if an option expires immediately following a Blackout Period, the expiry date will be extended to the date which is ten (10) business days after expiry of the Blackout Period less the number of business days between the expiry date of the option and the date on which the Blackout Period ends; and
  - (g) notwithstanding any vesting provisions imposed on any options, immediately prior to the completion of a Sale of the Company (as such term is defined in the New Plan), all outstanding and unvested options (except for options granted to optionees conducting Investor Relations Activities, as defined in the Exchange Policies) will be deemed to be fully vested without the need for any further action by the Company or the optionee.

The following additional principal features of the New Plan are similar to the principal terms of the Existing Plan:

- (a) The maximum number of common shares issuable pursuant to the New Plan (including all options that were outstanding under the Existing Plan) shall not exceed 10% of the issued shares of the Company at the time of the stock option grant.
- (b) The following restrictions on issuances of stock options are applicable under the New Plan:
  - (i) no optionee may be granted an option if that option would result in the total number of stock options granted to the optionee in the previous 12 months exceeding 5% of the issued and outstanding common shares, unless the Company has obtained disinterested shareholder approval in accordance with Exchange Policies;
  - (ii) the aggregate number of options granted to optionees conducting Investor Relations Activities (as defined in the Exchange Policies) in any 12-month period must not exceed 2% of the issued and outstanding common shares, calculated at the time of grant; and
  - (iii) the aggregate number of options granted to any one consultant in any 12-month period must not exceed 2% of the issued and outstanding common shares, calculated at the time of grant.

- (c) The options granted will have a maximum term of 10 years from the date of grant.
- (d) The option is non-assignable and non-transferable.
- (e) If an optionee ceases to be employed by the Company in any capacity or ceases to act as a director or officer of the Company or a subsidiary of the Company, any fully vested options held by such optionee may be exercised within 90 days after the date such Optionee ceases to be employed by the Company or ceases to act as a director or officer, as the case may be, or such longer time period as the Board may determine, to a maximum of twelve months, and the expiry date otherwise applicable to such options.
- (f) In the event of the death of an optionee, the optionee's heirs or administrators may exercise any fully vested options for a period of one year from the date of the optionee's death, or the expiry date of the options, whichever is earlier.
- (g) Any common shares subject to an option which for any reason is cancelled or terminated without having been exercised shall again be available for grant under the New Plan.

The summary is qualified by the New Plan; a copy of the New Plan will be available at the Meeting for review by the shareholders. In addition, upon request, shareholders may obtain a copy of the New Plan from the Company prior to the Meeting (see "**Additional Information**" below).

Accordingly, shareholders of the Company will be requested at the Meeting to pass an ordinary resolution in the following terms:

"RESOLVED that:

1. the adoption of the Company's new Share Option Plan be and is hereby approved;
2. the Board of Directors be and they are hereby authorized on behalf of the Company to make any amendments to the new Share Option Plan as may be required by the TSX Venture Exchange, without further approval of the shareholders of the Company, in order to ensure adoption of the new Share Option Plan; and
3. any one director or officer of the Company be and he is hereby authorized and directed to do all such acts and things and to execute and deliver under the corporate seal or otherwise all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to these resolutions."

The Board of Directors unanimously recommends that shareholders vote in favour of the resolution approving the New Plan.

However, if any other matters properly come before the Meeting, it is the intention of the persons named in the form of proxy accompanying this Information Circular to vote the same in accordance with their best judgment of such matters.
